

O.k. so it's a bit of a paraphrase but the meaning is the same. There are some new photos on the gallery page, mainly from one of the training sessions in October but there are also a couple from the games against the Telford Spartans and Bradford Sabers. If you've taken photo's of the Phantoms at sometime and would like to share them with everyone, why not e-mail them to me or pass me the originals and I'll add them to our gallery.
